

NINERS' NOTES

JUNE – 2024

Vol 25 – Issue 6

Editor – Maria Byers

PRESIDENT'S MESSAGE

Well, Niners, it didn't take long for the warmer weather to hit us! As some of our Niners head to cooler weather for the summer, the rest of us look forward to playing golf in "another beautiful day in Saddlebrooke!" Remember to check your Niners Calendar and sign up!

Our General Meeting will be on Tuesday, June 11th. A signup sheet (for golf and lunch) is on the Niners Bulletin Board. **Deadline to sign up for this is noon on June 4th!** It will be an 8:00 shotgun and we will be playing a game followed by lunch.

I look forward to seeing you guys on the course!

Cheryl Hays
President - 2024

TOURNAMENT CHAIR

First of all, I want to thank all of the Niners for participating in tournaments throughout the year. We have had an exciting year so far and excellent participation. Since January of 2024 we have had the:

Founders' Cup (Congratulations Vicki Long),

State Medallion qualifying tournament (qualifiers:

Lori Ward

Terri Tindal

Pat Stead

and Randi Tonnessen)

Club Championship (Congratulations Marilyn Fisher)

Presidents' Cup (way to go Maria Byers)

A fun year so far with more to come. We will be offering the Niners' Unite event in July, LAGOS in September and Turkey shoot in November. All of these events are great opportunities to participate in the golf community and to sharpen your games. Plan on getting involved in each opportunity offered as a way to get to know more golfers and to enhance the Saddlebrooke Lady Niners.

Terri Tindal
Tournament Chair

RULES

With summer comes course closures resulting in full tee sheets. With so many golfers playing on any given day Pace of Play becomes even more important. Pace of Play is addressed on page 27 of our Niners 2024 Membership Directory. The following suggestions are listed to speed play:

- Show up on time – no later than twenty minutes before play and thirty minutes for shotgun starts.
- Carry an extra ball, tee and marker in your pocket.
- Be at your ball (if safe) and ready to hit.
- Think ahead and carry extra clubs to your ball so you won't have to return to your cart for a different club.
- Plan your shot while walking to your ball or while others are playing.
- On the green, if your ball is clean and playable, do not mark your ball if you are not in anyone's way.
- If you are having a bad hole (and know you are out of the money) pick up and take your max score when your max score is inevitable. This can be done even before you get to the green.
- PLAY READY GOLF – if you are ready and no one is in the way, hit, even if it is not your turn.
- Do not worry about those in front or behind you, but if you see more than half a hole in front of you that is empty, try to pick up your pace until you see the group in front of you. If you see that the group behind you is waiting a lot, please remember that you may pick up and take your net double bogie for your hole.
- When you are unsure of a rule, remember that Local Rules are listed on the back of the SaddleBrooke regular score cards. This may save time discussing a rule with your fellow players.

If you have a question about a rule, I will attempt to answer by consulting the official rule book or one of our course Pros.

Sue Schliepsiek
Rules Chair
