

NINERS' NOTES

July – 2024

Volume 25 – Issue 7

Editor – Maria Byers

PRESIDENT'S MESSAGE

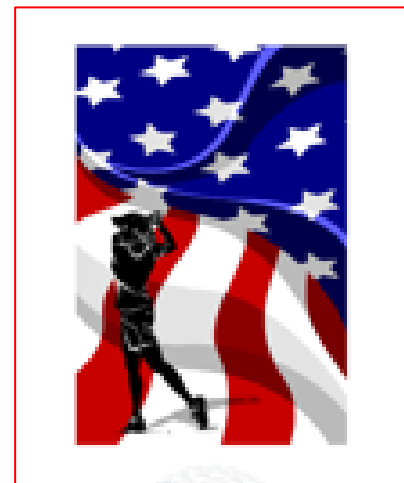

Can you believe it's July already?! Well yes, just step outside and it's plenty warm! Niners Unite is Tuesday, July 16th, 9:00 shotgun start. Sign-up is on Golf Genius (see Char Crossman's article for details), and also note, we will be having lunch that day, signing up to play will also mean you are signing up to stay for lunch.

Stay cool, stay hydrated and stay continuing to play golf as we move through this "toasty" time of year!

Membership

The Arizona heat is here and with it we hope it brings a good monsoon season with plenty of needed rain.

This month I would like to introduce 2 new Lady Niners:

Connie Kotke has lived in SaddleBrooke for awhile and has been playing with Nine and Wine. She previously was a "handicap only" status with the Lady Niners.

Linda Kaprosy is new to SaddleBrooke and comes to us from Fort Meyers, FL.

Both of these women are eager to meet and play with our league. Please introduce yourselves and welcome them when you see them.

Everyone, stay cool and hydrated and enjoy golfing!

A BIG WELCOME TO OUR NEW MEMBERS

CONNIE KOTKE

GOLF GENIUS AND PAIRINGS UPDATE

Signing up for league play is changing in July. July 2nd and July 9th sign-ups are on Chelsea. Our scheduled play for July 9th will start with noon tee times on Catalina.

All league play sign-ups starting with July 16th Niners Unite will be on the Golf Genius Portal. In order to sign up for league events in the Portal you must have verified your registration with Golf Genius. Most of you have done this by responding to a registration email you received. You can access the Portal using your email address and the password you set up at that time.

We have been using the Golf Genius mobile entry for scores on league day for several months now. If you have not had the opportunity to enter scores for your foursome, you will be surprised at how easy it is. Entering the scores on your phone (one player per foursome) during play makes verifying the scorecards and determining the weekly winners much easier for the Tournament Chair.

Golf Genius portal has a lot of useful information. It is accessible via an internet browser at:

<https://:sbgc-wga92024.golfgenius.com> or the Golf Genius APP.

Instructions for using Golf Genius are available on the Ladies Niners web site – www.sb9ers.org

If you have any questions please contact me.

TOURNAMENT

First of all, I would like to thank everyone who participated in the Round of Golf and Luncheon on June 11th. We had an amazing turnout for both golf and lunch. There was a surprise tournament that was woven into our regular round and the winners were announced at the luncheon.

A big “THANKS” to Kat Danner who helped put the game together and added up scores to determine the final winners! The winners were: Diane Mazzarella (1ST), Nancy Wyllie (2ND), and Maria Byers (3RD).

Keep signing up for Niners events as one never knows when a “surprise” activity might show up on a seemingly normal Tuesday.

Tournament Chair

Rule 16.1 – ABNORMAL COURSE CONDITION

When your ball lies on the cart path (considered an abnormal course condition) you are entitled to free relief under Rule 16.1. Relief can be taken by first determining your stance that gives you complete relief from the cart path, and then dropping your ball within one club length, no closer to the pin. The same relief can be taken when your ball is off the cart path but your stance is on the cart path.

If you have questions about this or any other rule, give me a call and I will attempt to answer or consult one of our Pros.
